SESSION C
ISSUE 1
JULY 30, 2011

Welcome to the 11th Annual, 2011 Season of NUTC!

We, the staff of the National Ultimate Training Camp, are thrilled to have you all join us this week. Preparations have been underway for months to ensure that you have a safe, challenging and fun experience. It is now up to get the most you can out of camp. Ask questions. Perfect your throws. Learn a new strategy. Run hard. Go for a swim. Play disc golf. Most importantly, put a special effort into meeting new players from around the country. We guarantee that the friendships you make this week will continue as long as you play ultimate... and beyond.
