Quote of the Day:

I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed.

- Michael Jordan

Word of the Day:

Copious - abundant in supply or quantity

We hope you a copious amount of energy to expend on the fields today!
